

HAAS HL-2 Lathe

eBay Auction will run from March 29, 2019 through April 8, 2019

A link to the online auction will be posted here once it's available on March 29.

DESCRIPTION:

HAAS HL-2 Lathe. This is a good machine that needs some TLC. It was in working order when it was last run in 2017.

TERMS AND CONDITIONS OF SALE:

1. Purchaser is responsible for inspecting and completing their own due diligence on the equipment. With arrangements made in advance, it can be viewed on our campus at 9364 State Route 45, Lisbon, Ohio, between 6:30 am and 2:30 pm most weekdays. Contact Dave Starcher at 330-424-9561.
2. Equipment is being sold "as is" with no guarantee.
3. Rigging-Loading: Must be done by a licensed, bonded, and insured rigger. No exceptions. Must be completed between 6:30 am and 2:30 pm most weekdays. A local approved rigger has estimated between \$200-400 to load on your appropriate trailer. Contact Jeff at Geary's 330-482-4233 for details.
4. Payment in the form of a certified bank check is due at time of pick up.
5. Machine must be picked up within 10 business days of auction closing.
