Group

Serving
BREAKFAST!

The Nutrition Group, your school food service provider, serves breakfast daily.

School breakfast is balanced and nutritious. Breakfast builds better bodies, provides fuel for school and boosts brain power.

Students who eat breakfast have higher test scores and learn more effectively.

View your school's breakfast menu to see what's being offered.

If your child is currently eligible for free or reduced meals, their eligibility status will apply.

**Monday - Friday
7:30 am - 8:15 am**
