

Student Contract **for Teaching Professions**

I understand that the Teaching Professions Tech Prep Program is part of a college preparatory program, and as a student in the this program:

- * I agree to regularly attend my school and my field experience.
- * I agree that I will go directly to the field experience site.
- * I agree that when absent from my field experience for any reason, I will contact my mentor teacher and Mrs. James, the Teaching Professions instructor, as soon as possible. *[Remember to follow school procedures.]*
- * I agree to complete all required work in all my courses.
- * I agree to participate in the field-experiences and classroom instruction.
- * I agree to prepare a portfolio of my work in the Teaching Professions program.
- * I agree to be a role model for others, which includes treating myself with respect as well as my classmates, my teachers, and my students.
- * I agree that because I am a role model for other students, I will dress in a professional manner while working in classrooms throughout the school district.
- * I agree to be on time to my field experience and stay for the assigned time.
- * I agree to provide my own transportation to my field experience, and obey all traffic regulations for the safety of others and myself. If I will be riding with another student, a special permission slip, signed by my parents, needs to be on file.
- * I agree to follow the policies, practices and schedules of my field experience sites as well as my high school and the Columbiana County Career & Technical Center.
