

Student Expectations **for Teaching Professions**

A successful student in the Teaching Professions program will:

1. Have an interest in learning about careers as an educator (including elementary, secondary, special and gifted education, as well as administration)
2. Possess the ability to work well with others and be willing to accept guidance from adults
3. Have an interest in learning how children develop and learn
4. Be a good communicator with adults as well as children
5. Be self-motivated, able to work without constant supervision, and part of a team
6. Have a positive attitude, punctuality, and good attendance
7. Assist in at least five different classrooms during the school year
8. Provide own transportation to the field experience site
