

**SOME SUGGESTED ACTIVITIES**  
**for**  
**Teaching Professions Tech Prep Students**

Check papers  
Make a bulletin board  
Prepare teacher materials  
Set up equipment/lab materials  
Perform clerical tasks  
Check planners/homework  
Tutor one-on-one  
Work with small groups  
Present a mentor-developed lesson  
Conduct a test/quiz review  
Help with make-up work  
Help students with computer programs  
Present a reward activity  
Accompany students to library, assemblies, restroom, etc.

By the end of the field experience, the student may be able to prepare and present a specific lesson in your classroom.

*Providing an extra copy of activities, worksheets, and other material to be used as evidence in his/her portfolio will be greatly appreciated by the student.*
